

# MOLAR For Import & Export

## **ABOUT US**

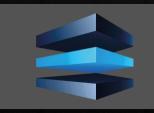

# COMPLETE SOLUTION

#### **MOLAR For Import & Export** was

established in 2010 in Khartoum, Sudan.

We provide a complete solution for our client's needs by offering high quality medical equipment and providing efficient and cost effective after sales service. We have gained an outstanding reputation in the region by lowering the costs of owning and maintaining medical equipment for our clients. We achieve this by providing world class customer service and superior technical support to all who entrust themselves into our care.

### **OUR MISSION**

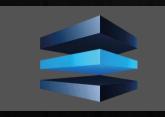

# BUILDING ANEW STANDARD

FOR MEDICAL PRACTICE

At MOLAR we are on a mission: to build new standards of medical practice and services. It's about an interaction of marketing, design, polices and knowledge to provide an excellent service that will stay in your patients' mind.

### **OUR VALUES**

# CUSTOMER'S SATISFACTION

- Unique after sale services.
- Reliable & high quality affordable products.
- > Remarkable offers & payments' facilities.
- Permanent link between customers and manufacturers.
- > Qualified staff to ensure quality for service.
